

Privacy Policy

We are committed to communicating with you in a professional manner and protecting your confidential information. We use the information you provide (e.g. name, address, phone number, email, agreement to receive newsletter/sales offers etc.) to contact you to share information about our (products/services). We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request. This company does not sell, trade or rent your personal information to others.

Unless you ask us not to, we may contact you via email in the future with news about our company or information about our services. If you subscribe to our newsletter, you may unsubscribe at any time, either by using the unsubscribe link on the newsletter or contacting us via the email address given on our website.

Please contact us to correct or update information at any time. Call us at 561-544-8997 or toll-free at 866-276-1833.

Logging and Cookies

When you browse our website, the following information about your visit is collected and stored: the computer's Internet Protocol (IP) address (a number automatically assigned to your computer when you access the Internet); the domain from which you access the Internet, the website address from which you came to our site (for example: www.google.com, if you came by clicking a link from a Google search); the date and time you arrived at our site and how long you spent here; the name and version of your computer's operating system and browser Example: Windows 7/Internet Explorer 8.0; the pages you visited.

We also use "cookies" on this site. A cookie is a piece of data stored on a site visitor's hard drive to help us further determine usage of our site and sources of site traffic, improve access to our site and identify repeat visitors.
